

VI

1. The first part of the book is a general introduction to the study of the history of the world, from the beginning of time to the present. It covers the major events and figures of world history, and discusses the different ways in which historians have interpreted the past.

2. The second part of the book is a detailed study of the history of the United States, from the early years of settlement to the present. It covers the major events and figures of American history, and discusses the different ways in which historians have interpreted the past.
