«Jolly Poems» — сборник из 90 коротких стихов на английском языке для начинающих. Каждое стихотворение написано простыми, современными словами в рифму. Темы: утренний кофе, тихий дождь, дружба, маленькие радости. Книга помогает учить язык и дарит покой в суетливом мире. Красота живёт в простых вещах — в спящей собаке, первой звезде, печенье на конец дня. Для начинающих. Для мечтателей. Для тех, кто верит в силу маленьких мгновений.

The Morning Key

The sun is soft, the sky is blue,
I wake and think of you.
The coffee smells so warm and deep,
It holds the secrets that I keep.
The world outside is cold and gray,
But here, inside, I start my day.
A little light, a simple sound,
My feet are safe upon the ground.

A Cup of Quiet

I hold the mug with both my hands,
I watch the rain fall on the lands.
The steam goes up, it fades away,
It tells me: rest, it's okay.
No need to rush, no need to run,
The day is long, but here's the sun.
Just let the quiet be a friend,
It helps the worried heart to mend.

The Garden's Song

A tiny seed in dark, cold ground,
It waits for spring to make no sound.
Then comes the rain, then comes the light,
It grows so green, a lovely sight.
I see the rose, I see the bee,
A busy world, so wild and free.
The flowers do not ask for much,
Just gentle sun and rain's soft touch.

What Dogs Know

My dog just sleeps and does not care
About the news or what to wear.
He puts his head upon my knee,
He says: "Just stay right here with me."
He does not count the hours gone,
He knows the joy of going on.
A simple walk, a piece of string,
Is greater than any big thing.
