

Предисловие

Основная цель данной работы – помочь ученикам 6 класса в освоении грамматики английского языка, в развитии и автоматизации навыков и умений правильно употреблять грамматические формы в речи.

В книге представлен материал, соответствующий школьной программе. Данная работа может служить дополнением к учебнику для 6 класса и использоваться как на уроках и факультативах, так и для самостоятельной работы дома. В конце книги даны ключи.

Каждый грамматический раздел содержит тренировочные упражнения с образцом выполнения для развития и совершенствования грамматических навыков.

Приступая к работе, ученик должен внимательно прочитать задание к упражнению и пример его выполнения. Желательно не только выполнить упражнение письменно, но и проговорить всё вслух.

Успехов в изучении английского языка!
