

# ДОРОГОЙ ДРУГ!

С помощью этой книжки ты познакомишься с новым языком и научишься читать, писать и говорить на английском языке.

Как известно, английский язык — это язык международного общения, без которого в наши дни невозможно обойтись.

Чем раньше ты начнешь его учить, тем проще будет его освоить. Это пособие рассчитано на подготовку дошкольников к начальной школе.

Твои родители должны принимать активное участие, особенно в освоении произношения. Чтение транскрипции — нелегкое дело, не стесняйся обращаться к взрослым за помощью.

Для начала ты познакомишься с буквами английского алфавита и потренируешься писать их в прописях. Затем ты потренируешься в чтении и произношении в разделе «Фонетика». И наконец, в последнем разделе ты изучишь основы грамматики английского языка.

Впрочем, не стесняйся менять этот порядок, если какая-то часть окажется тебе интереснее!

Удачи!
